Project Officer  
Administration on Intellectual and Developmental Disabilities  
Administration for Community Living  
Washington, DC 20201

Dear Ms. Cruz:

Enclosed is the California State Council on Developmental Disabilities (SCDD) October 1, 2015, program progress report as required under the special conditions and restrictions of the Fiscal Year 2015 Award No. 1501CABSDD award letter. This report contains one compliance item agreed to in the Documentation of Compliance for delivery on October 1, 2015.

This report is the seventh program progress report in this phase of the corrective action plan (CAP). It contains documents related to:

- Task H1a – State Plan Development Process

The submission for this task meet the agreed upon evidence and timeline in the Documentation of Compliance (September 30, 2015 update enclosed). With this submission, California has submitted 78% of the tasks and is compliance with 73% of them.

With this submission, we are able to update you on the preliminary findings of our community conversations regarding the next State Plan.

Task C2 (Demographic Analysis) is under continuous monitoring. In the past month, the Membership Committee has not met or recommended candidates to the Governor's Office for appointment to one of the remaining three vacancies. The Membership Committee meets in October to review the approximately 100 applications for Council service. They are looking for qualified self- and family advocates who represent the geographic, ethnic, and disability diversity of California. Please see the map that's included of the current council representation. SCDD will continue to update you on this progress.

SCDD submits this compliance report for your review and consideration.

*"The Council advocates, promotes & implements policies and practices that achieve self-determination, independence, productivity & inclusion in all aspects of community life for Californians with developmental disabilities and their families."*
